AUGUST

[MARVEL](#) CREATING THE CINEMATIC UNIVERSE- Gallery of Modern Art, Brisbane.

Wednesday 23 August

Tour of the Marvel exhibition, followed by drinks in the GOMA research library

Drawing on Marvel's extensive archive of original comic books, spectacular concept art, props and costumes, as well as private collections, the exhibition features over 500 unique objects. This QAGOMA-curated exhibition also goes behind the scenes to offer a glimpse into the work of production designers, storyboarding and pre-visualisation artists, costume and prop designers, and visual effects artists. Interactive elements throughout the exhibition allowed visitors to delve even further into the Marvel Cinematic Universe.
