

ARLIS/ANZ South Australian Chapter Chair Report 2017

The SA Chapter has little local activity to report: both the Chapter President and Treasurer attended the ARLIS/ANZ conference in Sydney in 2016.

Due to a fortuitous combination of circumstances and funding from various sources, Chapter President Catherine Kerrigan attended the ARLIS Norden 2017 Annual Conference in Helsinki in June where she networked with our Scandinavian colleagues.

Treasurer Jin Whittington was one of many ARLIS/ANZ members whose contribution to art librarianship was recognised in the Conversation's article 'A library without librarians is a just a shed full of books' in December 2016.

Catherine Kerrigan has also joined the ARLIS NA working group to develop an annotated checklist of digital art resources.
